SUBJECT: Liquor License Application – 7-Eleven

After review of the liquor license application for “Off-Premises” for 7-Eleven, Inc. located at 775 South Highway 395, Hermiston, I find nothing of substance after performing a criminal history check consistent with established parameters utilized by the city, to deny the application submitted by Joseph DePinto, Stanley Reynolds, Rankin Gasaway, David Seltzer, and Arthur Rubinett.

It is my recommendation this information/request be presented to the City Council.
