**Re: Notice of Street Vacation
East Ridgeway Avenue**

City Council,

I have reviewed the information regarding the vacation of the street listed above. My research has shown that this property is within the District boundary, however, there are no water rights on this property. Also, I did not locate any federal easements through this property.

The vacation of the street listed above does not appear to impact HID's property in any way.

HID has no objection to or restrictions on this request. Thank you for the opportunity to review and comment on this proceeding.

Respectfully,

Karra
