**Re: Humbert & Melva Medelez
Annexation of Property - 4N2802BC 1900**

Mr. Spencer,

I have reviewed the information regarding the request for annexation submitted by Humberto & Melva Medelez for the map and tax lot listed above. My research has shown that this property is within the District boundary, however, there are no water rights on this property.

There are no federal rights-of-way or easements on this property.

HID has no objection to the annexation. Thank you for the opportunity to review and comment on this application.

Respectfully,

Karra
